

Resources for Local Face-to-Face PD Sessions

Certificates & Credit Hours

When using these resources, PD facilitators may choose to award **credit** and/or provide **certificates** to attendees as they deem appropriate. Some training resources feature certificate templates, which are available for the convenience of the facilitator. The certificate templates may be printed, customized, copied, and distributed according to district or agency professional development policies. Professional development credit for these resources is not provided through the ArkansasIDEAS LMS, and certificates are only valid if provided through a local education agency or other organization **authorized** to award PD credit. Please remember that professional development credit is awarded solely at the discretion of the local school district.

THE TRAINING RESOURCE PAGES LISTED HERE CONTAIN ALL OF THE VIDEOS AND TRAINING MATERIALS NEEDED TO FACILITATE FACE-TO-FACE VERSIONS OF SELECT PROFESSIONAL DEVELOPMENT COURSES CURRENTLY AVAILABLE THROUGH THE ARKANSASIDEAS LMS

Surveys

Please consider completing the **survey** for each face-to-face session facilitated. While they are **not required**, the completion of these surveys helps us track the use of ArkansasIDEAS for professional development resources, which will in turn help us to continue to provide **free PD courses** to educators across the state.

Terms of Use

We encourage you to utilize these resources for your professional development sessions. They may be especially helpful if you wish to require **paraprofessionals** or other **non-licensed** personnel training related to a course that they otherwise would not be able to access within the ArkansasIDEAS LMS.
